639 Building Fund

We have exciting plans to extend our building, construct a new kitchen and an expanded seating area. This will allow us to grow our Seniors' Lunches and other community support programs.

We have been approved for a \$173,000 from Trillium Foundation Grant for the Building Extension - BUT THERE IS A CATCH!! We have to raise \$25,000 of our goal of \$45,000 BEFORE Sept. 1st, 2017.

WITH YOUR HELP WE CAN DO IT!
