

RESTOULE LOCAL SERVICES BOARD

This past year had the Board quite busy with improvements planned and completed at the Village Public Boat Launch. The Boat Launch now has improved lighting as well as a new dock system. There will also be enhancements made to the ramp as well with the addition of several concrete runners.

The Porters Landing Boat Launch also saw some improvements to the docks and parking area. We are currently investigating improvements to the Boat Launch at Commanda Lake. The improvements will include the addition of a dock structure, lighting and boat ramp enhancements.

Ownership of the Restoule Fire Department's rescue boat was transferred from the Restoule Local Services Board to the Restoule Fire Department.

The Legion also saw improvements with the installation of a new well and the decommissioning of the old well (at no charge) by Ransom Drilling.

This past Fall and Spring saw the addition of a new wheelchair accessible washroom at the Legion Building. The Legion was also successful with a Trillium Grant request which will see an expansion/renovation to the Legion Kitchen and Seating area. These improvements will allow the Legion to provide enhanced programming clientele to our community and district.

The Community Centre also saw an upgrade to their water purification system. A big thank you to the Restoule Fire Ladies Auxiliary for their contribution of \$500.00! In addition, the Community Centre will soon see enhanced heating and cooling with the installation of state of the art heat pumps, which will result in cost effective heating and long awaited cooling to the Kitchen and Hall.

Community Centre Parking. Trucks with trailers are no longer allowed to park in the Restoule Community Centre parking lot – due to shortage of parking spaces during scheduled events. Parking is allowed at the designated lot across from the ball park, identified as 67 Hawthorne Drive. Please respect posted signage.

Just a reminder to visit *the Restoule Enthusiast website* at restouleenthusiast.com created by cottagers Halina and David Dales to keep up on “all things Restoule”. If you would like to add a little something to this wonderful information hub feel free to get in touch with our creators at restouleenthusiast@gmail.com.

RESTOULE VOLUNTEER FIRE DEPARTMENT

FIRE and/or MEDICAL EMERGENCY DIAL 911

We have had a good year for fire calls, thanks to you – the public! You have helped us by being careful with your fires. Please check chimneys on a regular basis, and have heating checked and serviced by a professional. Give us a call ahead of time if you’re planning any brush burning. This will help us let you know if conditions are good.

Smoke alarms are required on every level of your home and outside sleeping areas. *IT'S THE LAW!* A handy tip – change the batteries in your smoke alarms once a year on a date that you will remember, like a birthday or daylight savings time. We still conduct surprise visits to check and replace old smoke alarms. It is also a good idea to plan an escape route with your family in case of a fire. *Carbon monoxide (CO) detectors are now the Law!*

CHIEF'S REPORT. We are answering more medical calls due to an aging population. If you're insurance requires you to have a "Wet Dry" chimney inspection, contact Claude St.Pierre, technician/system advisor with Fern's Heating Inc. at 705-474-4955.

Our fundraisers are well attended and a great success thanks to you for your continued support and generosity as we strive to improve and serve our community. Training sessions for Medical and Fire is quite costly and we are very appreciative for your ever present support.

FUNDRAISERS, INCORPORATED FIRE DEPT

Watch for flyers closer to dates for more information.

- Stuff 'n Such Sale Sat July 1st
(The Fire Dept has taken over operation of this event. Please contact any fire fighter if you have items to donate that need to be picked up)
- Celebrity Pie Auction Sun July 23
- Car Wash/BBQ Fire Awareness Sat Aug 12

From all of us, have a safe year! For questions or concerns, please call:

- Hal Hamilton, Fire Chief** 705-729-9958
- Myles Odd, Deputy Chief** 705-729-5342

LSB RECREATION

The Community Centre is a happening place! From exercise groups for the mature, to children's activities including baseball and soccer. The winter ice rink suffered this year from Mother Nature and her erratic temperatures but when there was ice, there were skaters!!! Thank you to all the organizers and the volunteers that did their best to make ice. Maybe next winter will be kinder to us.

Become "Fit and Strong" with a DVD workout on Tuesdays, 10:00am to 11:00am. Bring a water bottle and two light weights if you have them. All exercises and stretches are done in a standing position. For information, contact Sue Brown at brownsue25@gmail.com or call 705-729-1506.

And don't miss out on the Thursday morning Line dancing at 9:30am, Stretch Class at 10:00am and coffee and camaraderie to follow. A small contribution of \$2.00 is required. For information, call Barb Proctor at 705-729-5852.

To discuss recreation ideas, please call:

- Susan Hamilton**..... 705-729-9958

RESTOULE FIRE LADIES AUXILIARY

A big hello everyone! Thirty ladies make up our auxiliary with firemen and other community citizens volunteering their assistance. We also appreciate the teenagers and children who pitch in to help. Upcoming events:

Join us for a Father's Day Luncheon – soup, peameal-on-a-bun or sandwich, desserts, tea/ coffee, and of course the bar will be open. Bring along a Restoule story, pictures, a funny story you would like to share that made Restoule so memorable to you.

Come bid on a pie at the Celebrity Pie Auction, or have coffee and a piece of pie and just enjoy the fun. This is your chance to meet and thank our fire people for the hours they spend in training, and then get out of bed at all hours to help with our medical and fire issues.

In July, Fiddlers-on-the-Lake will head out on Restoule Lake on donated pontoon boats with singers, guitars, keyboards and of course...lots of fiddles. If you want to follow along, or have them stop at your cottage and play for a while call us to make a plan. Appreciation donations to the East Ferris Fiddle Club are always welcome.

Our second Sticky Bun Sale is scheduled for August 9 until SOLD OUT (which happens fast!). Advance orders can also be placed on the Monday.

We will try having another Thanksgiving Supper in October. If you can volunteer a few hours for preparation and/or clean-up duties, please get in touch with Margaret Grawbarger.

Thank you to all who attend our events. Your support is so appreciated. We would also like to thank all those who donate their time, money, food items, pies and other home-baked goods. We could not do all these wonderful events without you. You are greatly appreciated.

THANK YOU FOR DOING YOUR PART TO CONSERVE THE LANDFILL!

RESTOULE & DISTRICT LIONS CLUB

First, we would like to thank our community for its tremendous support. It’s because of you we can fulfill our motto - We Serve! Our first priority is to our community, providing various events and projects for our young and old, and for our community at large. Lions stand ready to assist individuals in need, whether it be financial help or the labour to complete a task. Just ask!

The Club continues to grow, inducting its newest member Olav DeVree on April 24th with the potential of two more members being inducted in June. Congratulations! Our Club is the largest and most active club in Zone 17 Central.

Last year we added the Lions Facebook Page, managed by Dawn Stripe to inform people of what Lions are doing in the community. It's been a great way to capture the enthusiasm of participants in various events and the work of Lions in the community.

Our year has been very busy. We sponsored: the Ham & Turkey Roll; Seniors' Christmas Dinner; Children's Christmas Concert with over 40 children participating; Christmas Baskets for those in need; and the Easter Egg Hunt with approximately 50 children involved. As we look ahead, we have Cow Paddy Golf, Bike Rodeo, Community Dinner & Awards Night (Last year's winners included: Lois and Bob Adams, Wayne Hamilton, Betty Cotter, and George Stripe III.), Penny Drive, and we will end our year with the Toll Road.

Special Note: Next year the King and Queen Snow Run will be held on Family Day weekend (February 17, 2018.)

The Club is committed to raising funds that will be used towards renovations that will improve the esthetics and efficiency of the community centre. The Club continues to support various events and charities: recently making donations to the Nipissing Serenity Hospice, Children's Wish Foundation, Dog Guides, and East Parry Sound Science Fair. Just to mention a few.

RESTOULE LIONS SPORTS PARK MEMORIAL PROGRAM

This past year, our Sports Park has seen lots of action with many local children taking advantage of this wonderful facility. We have been discussing memorial tree replacement again as some of the trees replanted a few years ago have not weathered so well. We are also in the midst of finally putting together a sign which will be used to indicate to whom the memorial trees belong to. We appreciate everyone's patience and understanding as this has been a long standing project, and also a challenging one! The equipment in the park is in good repair and we had sand brought in a few years ago to replenish what needs to be there to meet regulations. Some of the memorial benches were given a facelift by our Lions members as well and are looking great! Our community is very fortunate to have such a wonderful facility for our youth to take advantage of, therefore respect for the grounds and equipment is appreciated. As the summer months approach, we hope to see many children laughing and enjoying some fun family time at our Sports Park! If you have any questions, please feel free to contact me.

Looking forward to another year of fun at the Sports Park! For information, call:

SOUTH SHORE RESTOULE SNOWMOBILE CLUB

Another snowmobile season has come to an end. I would not say it was a good year but if we had got all the rain in snow form we would think we had moved to Newfoundland!

The community of Restoule still keeps giving generously every year supporting our club in many ways. The landowners give us permission to use their property for trails, the volunteers that help out with trail work, help at the fundraiser every January and the Legion and Lions Club both donating funds to our Club.

The Club this year has a large reroute planned for the Powassan trail that will give access to the new MTO tunnels under Hwy 11 and open up Powassan as a food and fuel stop on the trail again. The Powassan Council and MTO, are just a couple of the partners in this endeavour.

To all the volunteers of our small Club that give endless hours of their time for trail work, grooming, maintenance on the groomers, signage and all other projects it takes to keep our trails open and in shape for the best riding experience; I thank you!

The Ontario Federation of Snowmobile Clubs which is the head organization is restructuring the Clubs and taking our administration and bookkeeping away from the Club and giving it all to the District offices. Cindy Piper has been our administrator for the last several years now and has done a fabulous job of keeping us on budget. Myself and the rest of the executive and directors would like to take this time to thank Cindy for her perseverance in learning the Snowmobile organization and directing us in every step of the way in all endeavours.

Till we see you all again, when the snow fly's, please keep in mind all our events.

COMING EVENTS (to mark on your calendar)

- South Shore Restoule Snow Run

RESTOULE DEER ASSISTANCE PROGRAM

I am pleased to say we had another successful deer assistance feed program with a total of \$350 collected from hunt camps and Gerry's General Buck Pot; all of which were spent on deer feed.

More deer were fed closer to town this year as the wolves seem to be chasing the deer out of their more natural habitat areas. Our feed cycle started in January and went to the end of March. They came in small groups to the feeders. Again it appears more people are feeding them, which is greatly appreciated by all who feel this program is important.

Many thanks to Gerry's General Store for their help with the "Big Buck Pot" and all the camps that contributed funds to help with the program. To the homeowners who fed the deer on their own, we appreciate your help and thank you very much.

ST. ALBANS ANGLICAN CHURCH & ACW

Every Sunday morning we have an authentic Anglican service in our quaint church at Hawthorne Drive, just over the bridge. The services alternate between Holy Communion with Rev. Joan Locke the 2nd and 4th Sundays of each month and Morning Prayer, led by trained lay readers, on the first and third Sundays of the month.

Our service is easy to follow with hymns and prayers projected onto a new screen. Music is a mixture of traditional hymns and modern praise. We welcome newcomers, especially in the summer when Restoule has many seasonal visitors.

St. Alban's has a trained pastoral care team. They visit the sick and elderly at home, in nursing homes and in hospital. Once a month Rev Joan, Barb Proctor, Kathy Doyle, and Pat Young provide a communion service for the nursing homes in Trout Creek and Powassan.

We have a very active prayer chain. Requests are welcome from the community. Our faithful prayers are committed to confidentiality. Please contact Barb Proctor to access this service.

We have an ACW group which meets the first Wed of the month except July and August. We would welcome anyone who is looking for friendship and /or the rewards of helping a hurting world. We fundraise to help address needs in our own community, in North Bay and area, as well as whatever needs become apparent over the year.

RESTOULE UNITED CHURCH & UCW

Restoule United Church has had a good year. Although the church has not experienced any growth in recent years, a dedicated core congregation still manages to hold weekly services and carry out the necessary business of the church as well as some outreach and support within and outside the community.

The highlight of the year was our celebration of Restoule United Church’s 120th anniversary. Beginning as a Methodist church, it became part of the United Church of Canada after amalgamation in 1925 and in 1949, the original church (built in 1896) was rebuilt in the same location. On August 14th, the church enjoyed a full house with attendance of 87 at the Anniversary Service which was led by Rev. Kathleen McCallum. A bountiful luncheon catered by the Restoule Firemen’s Auxiliary was enjoyed by 101 persons. A table had been set up in the Community Centre with a historical display of old church records, literary historical material, and photographs. A slide show played throughout and the luncheon and fellowship time rendering memories of church and UCW functions and events.

Although congregation numbers have diminished in recent years, Restoule United Church still managed to donate to the Fort McMurray Relief Fund in May 2017 and has donated locally to the Powassan Food Bank. Cards are sent to local residents at times of illness and bereavement. Recently, the Church Council arranged for placement on church grounds of a Canadian Diabetes Association drop box for used clothing and it has already seen considerable use by community residents.

We are grateful for our very caring and capable Pulpit Supply ministry which consists of retired ordained ministers and trained lay worship leaders who lead the congregation in thoughtful, meaningful weekly church services.

CORNER GOSPEL PENTECOSTAL CHURCH

This is who I am

I’ve made mistakes...still do. Actually, I’ve made lots of mistakes. I have made many errors, and have said many things that I shouldn’t. I have lied in the past and I have stolen in the past. I have lost my temper many times and I have even made my family cry. I have run away before, and I have felt alone before. I am somebody with struggles and issues. I am not perfect (not even close).

But...God still loves me anyway! And because He loves me, I have confidence and strength. And because He loves me, I have a peace. And because He loves me, I have a joy (that can never be taken away). And because He loves me and forgave me, I have *A REAL AND EVERLASTING HOPE!*

Welcome to the imperfect Church that is filled with imperfect people! If you have issues, make mistakes, have regrets and have an ugly past...you’re in good company and we would love to see you.

**NEAR NORTH COMMUNITY CARE
ACCESS CENTRE (NNCCAC)**

This organization provides services for persons who, for health reasons, need assistance to manage in their own homes. Hospital staff or family doctors make most referrals. However, it is quite possible for a person handicapped by illness, infirmity or injury to be overlooked.

The motto of NNCCAC is, "Making community health work for you." If you feel that someone in your family, yourself or a neighbour is a candidate for such services, please telephone:

PATTERSON TOWNSHIP LOCAL ROADS BOARD

On May 3, 2017, the LRB, along with the Ministry of Transportation, will be conducting the annual spring road tour to establish the budget and work to be done for the period of April 1, 2017 to March 31, 2018. The work program usually involves: replacing a number of culverts, ditching, brushing, graveling, grading and calcium throughout the township. This summer, Olive, Janice and part of Beaudry Hill road will be hard surfaced. Parts of Limberlost and Porters Landing Road are scheduled for hard surfacing next year. If you have any concerns or ideas for improving our roads, please call one of the numbers below.

This year, winter was a little crazier than others. We spent double the amount budgeted on snowplowing, and sanding was up by \$2 000. A common complaint in regards to sanding is the "salt and pepper" application. We will investigate the possibilities of heavier applications with the contractor. The cost of dust laying (calcium) was double. We had to call for a second application of calcium since the first application produced very poor results. This was due to the road surface being too dry, a problem that will be rectified this summer.

Any entrances that are being constructed "must" have the approval of the Board and installed to MTO specifications. Applications are available from Jean Mohr.

Please, do not park in the snowplowing and grading "turn-arounds" located at the end of many of our roads. In addition, parking is not permitted on our roads during winter maintenance. Homeowners may be responsible for the cost of removing snow that has been pushed onto a roadway.

Plowing of snow will not commence until there is 3" of snow. In the past it was 4".

The MTO Field supervisor will monitor roads for icy conditions and call the sand trucks accordingly. However, the Board may request plowing and sanding if deemed necessary. Bus routes will be given priority.

If you have any ideas for improving our roads, please call one of the numbers below. If you have concerns, you should contact the chair.
