RESTOULE LOCAL SERVICES BOARD COMMUNITY UPDATE

The Board would like to share some accomplishments that were achieved over the past year as well as upcoming improvements planned for this coming summer.

The Community Centre had three Heat Pumps and one Air Conditioning Unit installed last Summer. The Heat Pumps provide two key functions, cooling in the summer and heating in the winter. This technology is one of the most energy efficient and cost effective solutions for heating and cooling. With this improvement the Community Centre offers a comfortable setting for community events all year long.

We are also happy to report that the Board was successful in securing a grant from the Ontario Trillium Foundation. These funds will be used to install a Barrier Free entrance and washroom facility at the Community Centre this summer. A special thank you to the Restoule & District Lions Club for their \$5000 contribution to this project.

The Fire Department will also see some improvements to their space with the replacement of the office door and window along with the replacement of the flooring in the office and training room.

The expansion of the Legion began construction this past Fall and is scheduled for completion this Spring. This addition will provide for enhanced programming for clientele in our Community and District. This project is a true example of what can be accomplished when a community pulls together!

The community boat launches saw many improvements last summer. However, due to high water levels not all work was able to be completed. The Village Boat Ramp still requires the addition of several concrete runners. The Porter Landing Boat Launch will see the pouring of a concrete pad that will be used to secure one of the dock units.

The Board will also be proceeding with improvements to the Commanda Lake Boat Launch, with the addition of a crib and dock system along with a light system.

This past Winter the Board also purchased a new snow blower in order to clear the snow from the outdoor skating/ hockey arena.

Last Summer, the Board was approached to have a Pickleball Court painted onto the outdoor Hockey Arena pad. The request was granted and the court has been painted. Pickleball is a new sport that has evolved by combining the concept of Tennis and Ping Pong. It is played on a smaller court using a baseball size plastic ball and ping pong like paddles. It is a great form of exercise but less strenuous than tennis.

Important Community Centre Parking Update – Due to the shortage of parking spaces during scheduled events, trucks with trailers are to park in the designated lot across from the ball park, identified at 67 Hawthorne Drive. Please respect posted signage.

Also, check out the Restoule Enthusiast website at restouleentusiast.com created by cottagers Halina and David Dales where you can keep up on “all things Restoule”. If you would like to add a little something to this wonderful information hub, feel free to get in touch with our creators at restouleentusiast@gmail.com.

As Chair of the Restoule Local Services Board, I would like to take this opportunity to extend a thank you to the Board members for their commitment and support in making our Community the jewel it truly is!

2018 ANNUAL MEETING AND ELECTIONS

Local Services Board is *Saturday, Sept. 15th, 2018, 10:00 a.m.* at the Community Centre. Local Roads Board and Non-Profit Landfill to follow.

Restoule is your community!
Plan to attend – get involved – volunteer your time, bring your ideas!

911 CIVIC ADDRESS SIGNS

All properties must have a 911 civic address sign to direct emergency services to the property. Please contact Jean Mohr, LSB Secretary if there have been any alterations to your driveway entrance, additional entrances or you require a sign, etc.

SEPTIC TANK REBATES

The \$40 rebate for having a septic tank emptied remains in effect for business, home and cottage owners. This rebate is allowed once every five years through the LSB. For information, please contact Jean Mohr, LSB Secretary.

PATTERSON TOWNSHIP LOCAL ROADS BOARD

The Ministry of Transportation and LRB trustees held its annual budget meeting and spring road tour on April 25. The purpose was to establish the work to be done for the period of April 1, 2018 to March 31, 2019. The work program usually involves: replacing a number of culverts, ditching, brushing, graveling, grading and calcium throughout the township. This summer, we are hoping to extend the hard surfacing to Porter's Landing Road and possibly a portion of Limberlost Point Road.

This year, we had a continuous mix of snow followed by freezing rain forcing the Board to call out the snowplow and sander more than any other year. There is little doubt that we will be over budget in this area. We also did a double layer of calcium producing better results than last year. In addition to the regular maintenance we had two of our roads with major washouts. Fortunately, traffic disruption was held to a minimum.

Please note the following:

Any entrances that are being constructed “must” have the approval of the Board and installed to MTO specifications. Applications are available from Jean Mohr.

Please, do not park in the snowplowing and grading “turn-arounds” located at the end of many of our roads. In addition, parking is not permitted on our roads during winter maintenance. Homeowners may be responsible for the cost of removing snow that has been pushed onto a roadway.

Plowing of snow will not commence until there is 3” of snow. In the past it was 4”.

The MTO Field supervisor will monitor roads for icy conditions and call the sand trucks accordingly. However, the Board may request plowing and sanding if deemed necessary. Bus routes will be given priority. If you have any ideas for improving our roads, please call one of the numbers below. If you have concerns, you should contact the chair.

IMPORTANT

- No fire ashes allowed in the Landfill. They start fires even in the winter. Keep fees down, it costs money to put fires out.
- Please open bags of recycling and dump in bin loose. Put loose bags in barrel.
- Remember to crush cans and flatten cardboard to conserve space in bins.
- Tin cans may also be added to Metals Bin.
- ***Please note*** – New Bin is just for Provincial Park – Do Not Use
- Landfill does not accept hazardous waste items. e.g. paint, oil, light bulbs with mercury and refrigerators

BEARS

Almost all recorded bear attacks in the wild have resulted when a bear feels threatened, is hungry, or has her cubs present. Please keep your distance from any bears that you may encounter at the Landfill and especially keep children and dogs from bears.

FIRE and/or MEDICAL EMERGENCY DIAL 911

If response is slow - DIAL 705-474-7400

Hello Everyone!

I would like to remind all of you to check your chimneys before starting up your fires in the fall and also check on a regular basis throughout the heating season. If you have a heating source other than wood have it serviced by a professional to make sure you and your family are safe.

If you are going to do any brush or other cleanup burning, please give us a call so we can advise you if conditions are acceptable. We go by the Ministry of Natural Resources rules for this kind of burning.

If you are calling from a cell phone for **911** sometime you will not get through. So this number will get you in ...it is **705-474-7400** . Be aware of your property's 911 address number located at the front of your property

As some of you may know our fire fighters are aging. It would be very nice to have some younger people join and that certainly includes females. If you are summer people and would like to give your expertise, come and see us.

The installation of working Smoke Alarms and Carbon Monoxide (CO) detectors **are the law in every house**. Smoke alarms must be placed on every level and outside the sleeping areas. Just a handy tip -check the batteries yearly. Pick your birthday, time change or sometime like that. You should also go over an escape plan with the family and once outside have a safe place for everyone to meet.

If your insurance requires you to have a wet dry chimney inspection contact Claude St. Pierre. He is with Ferns Heating Inc. 705-474-4955.

Our fundraisers are well attended and a great success thanks to you for your continued support and generosity as we strive to improve and serve our community. Training sessions for Medical and Fire is quite costly and we are very appreciative for your ever present support.

RESTOULE FIRE LADIES AUXILIARY

Greetings to everyone! The Fire and Emergency Services Auxiliary is a dedicated group of people in the community who organize fundraising events in support of the Restoule Volunteer Fire Department. Between fire equipment upgrades, emergency service needs and other community projects, there is a significant need for funds.

At a recent meeting, our membership agreed to support a project to develop a plan along with other groups in the community for Emergency Preparedness. An important aspect of the plan is to install a backup generator system for the Fire Hall and the Community centre. In addition, there is a need to provide essential equipment to ensure safe shelter for citizens in the event of a major emergency situation.

The support we have received during the past year is very much appreciated and we look forward to welcoming you to events that have been planned for 2018.

LSB RECREATION

Your community center is the home of numerous activities that keep our hamlet strong and healthy.

EUCHRE

Euchre is played every Tuesday at 1p.m at the community centre.....including the summer months. Everyone is welcome to attend. No driving at night!!!!!! The proceeds go to the Cedar Grove Cemetery. Contact John Duncan for details. 705-729-2064

FIT & STRONG CLASS

Tuesdays, we hold a "Fit & Strong" class at 10 am. We exercise to an Essentric Workout DVD. This class is not offered in the two summer months. Contact Sue Brown – 705-729-1506.

ICE RINK

The winter ice rink is always at the mercy of Mother Nature. We did have ice and there was skating. It was a bit better than last year. The LSB purchased a new snow blower for the rink and this made it easier for our volunteers to keep the snow removed. Thanks so much to our volunteers who try so hard to get the rink in shape.

LINE DANCING/ STRETCH CLASS/CHAIR VOLLEYBALL

Thursdays we have Line Dancing at 9:30 am followed by a Stretch Class at 10 am. We follow that with chair volleyball and coffee. Too good to miss! Line Dancing isn't offered in the summer either but the stretch class continues through the summer. Bring weights and a bottle of water and fee of \$2.00. Contact Barb Proctor at 705-729-5852.

RESTOULE QUILTERS

The Restoule Quilters meet on the 2nd and 4th Wednesday of the month from 9 am to 3:30 pm at the community centre. Seasoned quilters or newbies are welcome to drop in and see what we are making. To date a number of folks have completed a 4 patch or disappearing 4 patch design quilt. Children's quilts, table runners

LSB RECREATION cont'd

and placemats have also been sewn. One in our group has been very busy getting cross stitch blocks sashed to make several quilt tops. It is so inspiring to see the creativity and array of colours everyone is using.

Our focus is on learning various quilting blocks and quilting techniques along with having a social day with others who have a common love of sewing/quilting. Presently we are working on our block making technique using half square triangles. (HST not a tax!) This month we are starting our first community comfort quilt. We are always excited to see what people have made at Sew and Share.

Our snowbirds are just returning and it is great to see summer visitors too. Everyone is welcome! Bring your lunch, mug and \$2 plus your sewing machine and accessories.

RESTOULE LIONS SPORTS PARK MEMORIAL PROGRAM

The Restoule Lions Sports Park is always a hub of activity throughout the year with our local children and visiting families taking advantage of our quaint facilities.

There were several attempts to flood the rink this year but it was a difficult year due to weather conditions. I am hoping to start another Sports Night when the weather turns warmer so that the community children can get together for some good fun. It's usually on a Tuesday night at the baseball field but will keep you posted closer to when these evenings commence.

The Lions Club has been working with Ray Belec regarding the development of a sign representing our memorial trees at the Sports Park, so hopefully this year we will see this project completed.

As always, we appreciate the public's help in keeping our Sports Park clean and tidy. There are garbage cans onsite for waste so please ensure garbage is not scattered around our beautiful park.

Also there is limited equipment in the shed beside the rink for the public to use. Our hope is that you respect this equipment and return it to the shed after using it so that it is not lost or damaged

Looking forward to another year of fun at the Sports Park!

RESTOULE & DISTRICT LIONS CLUB

Once again, we would like to thank our community for its tremendous support. It’s because of you we can fulfill our motto - We Serve! For 34 years now, Lions have been committed to serving our community. Our first priority is to our community, providing various events and projects for our young and old, and for our community at large. Lions stand ready to assist individuals in need, whether it be financial help or the labour to complete a task.

The Club continues to grow, inducting two new members this year: Ashlee Moore and George Garvey. Congratulations! Our Club is the largest and most active of the five clubs in Zone 17 Central.

Our Lions Facebook Page, managed by Dawn Stripe has been very popular - informing people of what Lions are doing in the community. It’s been a great way to capture the enthusiasm of participants in various events. Check it out!

Our year has been very busy. We sponsored: the Ham & Turkey Roll; Seniors’ Christmas Dinner; Children’s Christmas Concert with over 40 children participating; Christmas Baskets for those in need; and the Easter Egg Hunt with approximately 50 children involved. As we look ahead, we have Cow Paddy Golf, Bike Rodeo, and we will end our year with the Toll Road.

Next year, the King and Queen Snow Run will be held on Family Day weekend (February 16, 2019.)

The Club is committed to raising funds that will be used towards renovations that will improve the esthetics and efficiency of the community centre. The Club continues to support various events and charities: recently making donations to the Nipissing Serenity Hospice, Children’s Wish Foundation, Dog Guides, and East Parry Sound Science Fair. Just to mention a few.

SOUTH SHORE RESTOULE SNOWMOBILE CLUB

Mother Nature seems to be in a dazed and confused state, one day it is spring, the next winter is back. This year is our third year of unsettled weather causing us to have poor grooming conditions. Our groomer operators did a fantastic job working with what little snow we did receive to make trails for our dedicated snowmobilers.

Hurray!! Our Fun Run at the end of January was another successful fundraiser thanks to the community of Restoule, such wonderful supporters. The event was concluded with a delicious roast beef dinner prepared and served by our great volunteer club members. These club volunteers do all kinds of work from operating the groomers day and night, maintaining the groomers, brushing, fixing bridges, as well as working at our fundraisers. A big thank you to all of you for your support in anything I ask of you. Cats 'N Jammers entertained everyone with their great music and the Royal Canadian Legion Br 639 keep everyone from getting thirsty.

Another group of people that need to be recognized are the landowners who give us the use of their property every snowmobile season to make scenic trails filled with beautiful conifer forests, hard wood maples and oaks as well as plenty of wildlife, all to take in and enjoy with your cameras. Please respect their wishes by staying on the trails. This is a privilege they have bestowed upon us for the enjoyment of snowmobiling, which would not be possible without them.

This summer and fall we will be trying to get the trail from the south back into Powassan utilizing Municipal road allowances. We will be applying for Federal funding assistance due to the length of the trail, the topical terrain and required bridge work which would not be possible without funding help.

Hope you all have a great off season and see you all again on the trails next winter!!

RESTOULE DEER ASSISTANCE PROGRAM

I believe that overall, we fed fewer deer this year than last and there certainly appear to be fewer deer in the area in total.

We started to feed in December and continued until after the mid April snowstorms. A total of \$260 was collected from Gerry's General Buck Pot to assist for the feeding. Unfortunately, only one hunt camp offered assistance in the feeding program and more help would be appreciated.

As hunters, we were all disappointed at the number of animals seen in this year's hunt. Coyotes and wolves are putting pressure on the deer population.

Thank you to the local residents who paid for deer food, both corn and carrots on their own. We appreciate your help. As well, thank you to Gerry's General Store for their help with the "Big Buck Pot" and to the camp that contributed funds to help with the program.

CORNER GOSPEL CHURCH

WHAT DOES “REAL” LOVE LOOK LIKE?

I get asked this question a lot. Well, here it goes.

“LOVE IS PATIENT”

It waits for people to change. It’s long-tempered. It accepts people as they are, not as we want them to be.

“LOVE IS KIND.”

This doesn’t mean passive endurance but active goodwill. Not just passively accepting people, but actively accepting people. Not just standing on the other side of the room, thinking, “*He drives me nuts—I’m going to steer clear of him*”, but actually going across the room and finding ways to engage or embrace that person. Love looks for ways to express acceptance of everyone.

“LOVE DOES NOT ENVY OR BOAST.”

Love is not jealous. Even when those around us seem to prosper and succeed more than we do, love isn’t jealous. Love does not say, “I was fine with my friend until she got _____.” Love does say, “I am happy for your successes and will not let jealousy sour my love for you”. “I am for you, I have always been for you, and I will always be for you. I will not be caught up in comparisons, even when you are more successful, prominent, recognized, or rewarded than I am. I want the best for you.” When you love the people in your life, you won’t let their successes—or yours—change the way you treat each other.

“LOVE IS NOT ARROGANT OR RUDE.”

Love chooses not to make another feel uncomfortable by boasting about personal success or highlighting your own life in a way that would embarrass or belittle a friend.

CORNER GOSPEL CHURCH cont'd

“LOVE BEARS ALL THINGS, BELIEVES ALL THINGS & HOPES ALL THINGS.”

Love bears the weight of misunderstanding and defends the heart of the other. Love offers hope and gives the other the benefit of the doubt and regularly says, “*That’s not what she meant.*” Love offers hope and believes the best about the other person and defends him: “*That’s not why he did that. There must be more to the story.*” We don’t know why others do what they do, and we should assume the best about them instead of the worst.

“LOVE ENDURES ALL THINGS.”

Endure...it is a very powerful word, but describes LOVE very well. Love won’t retreat or back away. Love will be there for the other person and will stand its ground and offer kindness, support, hope and a peace that only a real love can give.

“LOVE NEVER FAILS.”

Love will never fail to accomplish what God intended love to be. Love always takes things to a better place. If you love others wholeheartedly and embrace the people in your life as they are and who God created them to be—warts and all, even when they hurt you— that’s love!!!! Love never fails.

CORINTHIANS 13:4-8

Love is patient, love is kind. It does not envy, it does not boast, it is not proud.⁵ It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. ⁶ Love does not delight in evil but rejoices with the truth. ⁷ It always protects, always trusts, always hopes, and always perseveres. Love never fails.’

RESTOULE UNITED CHURCH

Restoule United Church continues to hold weekly Sunday Services conducted by Pulpit Supply Ministry. The Ministry consists of both retired ordained clergy and trained lay worship leaders. We are fortunate and very grateful to have such a gifted array of caring individuals to lead the congregation in thoughtful worship services. All are invited to attend.

Our congregation is currently very small, but dedicated to keeping the United Church alive in Restoule and caring for the community. The Church contributes to the Powassan Food Bank, sends cards to local residents at times of illness or bereavement, and gave a donation toward the expansion of Branch 639 Restoule Legion which does a great deal to serve the local senior population.

Our Canadian Diabetes Association drop box has been well used since its placement on church property a year ago. The box seems to have been a welcome addition to the community as it is often full to overflowing before the truck is due to come to empty it.

The United Church Women have long been a staunch and faithful supporting organization for the church in both fundraising efforts and participation.

However, due to declining membership, the Restoule UCW has recently found it necessary to disband. Although the organization no longer exists, the work continues in a congregational effort. We are grateful for the past events and efforts spearheaded by our esteemed UCW members through the years.

Our services are casual, warm, and welcoming. The congregation enjoys greeting residents, seasonal visitors, cottagers, campers, and people just passing through. Everyone is warmly welcomed. We look forward to your visit; perhaps you’ll decide to stay.

ST. ALBANS ANGLICAN CHURCH & ACW

St. Alban's Anglican is located just over the bridge on Hawthorne Drive. We worship with the aid of a projection screen, so you can feel comfortable following the service at any time, whether you are from another Anglican church, a different faith community, or a seeker with no worship background. All are welcome.

This year, we are without a full time incumbent. As we are in the middle of determining exactly what the year ahead will bring, our plans at this time are to reopen for services every Sunday at 11:15, beginning in June. These services will be led by either, an Anglican priest (for Holy Communion), or a trained lay leader for Morning Prayer.

We do have a website to check: <http://www.trilliumanglicanparish.com> as well as our large sign, which will inform you of service times for that week.

We have an ACW group which meets regularly. We are a small group and would welcome newcomers who are looking for friendship and /or the rewards of helping a hurting world. We fund raise to help address needs in our own community and abroad.

St. Alban's has a trained pastoral care team. They visit the sick and elderly at home, in nursing homes and in hospital. Once a month an Anglican Priest, Barb Proctor, Kathy Doyle, and Pat Young provide an Anglican Communion Service for the nursing home in Powassan. We also visit the Anglicans in Eastholme and take small gifts to them at Christmas and Easter.

We have a very active prayer chain. Requests are welcome from the community. Our faithful prayers are committed to confidentiality. Please contact Barb Proctor to access this service.

NEAR NORTH COMMUNITY CARE ACCESS CENTRE (NNCCAC)

This organization provides services for persons who, for health reasons, need assistance to manage in their own homes. Hospital staff or family doctors make most referrals. However, it is quite possible for a person handicapped by illness, infirmity or injury to be overlooked.

The motto of NNCCAC is, "*Making community health work for you.*" If you feel that someone in your family, yourself or a neighbour is a candidate for such services, please telephone:
