RESTOULE LOCAL SERVICES BOARD COMMUNITY UPDATE

The Board would like to share some accomplishments that were realized over this past year as well as upcoming initiatives currently being investigated or implemented.

BARRIER FREE ENTRANCE AND WASHROOM – COMMUNITY CENTRE

The construction on the Barrier Free Entrance and Washroom at the Community Centre began in December and is expected to be completed by the end of April or early May. Delays in the start of the project were attributed to high bid proposals that were received to complete the work. The Board made a decision to “Project Manage” the work effort by pulling a construction team together to get the costs in line with the budget. Proceeding in this fashion, the Board was able to realize savings in the range of \$60,000.00.

We will be planning a ribbon cutting ceremony in late May or Early June. Everyone is welcome to come and see the improvements and partake in the festivities.

FIRE DEPARTMENT IMPROVEMENTS

New Entrance Door, New Window And Flooring In Office

The Fire Department improvements will also be wrapping up this Spring with the installation of a new entrance door and window in the office. The flooring in the office and training room has been replaced.

COMMANDA LAKE BOAT LAUNCH IMPROVEMENTS

Ramp, Parking Area, Dock, Solar Light, Signage

We are happy to report that the Commanda Lake Boat Launch improvements were completed last fall. The ramp was repaired, the parking area was cleared and new gravel was added to the parking area and ramp access road. In addition, a new dock, a solar light stand and signage were also installed. The Commanda Lake Boat Launch will now be maintained by the Restoule Local Services Board on a go forward basis.

PORTERS LANDING BOAT LAUNCH IMPROVEMENTS

Concrete Pad

The final phase of dock improvements at the Porters Landing boat launch was completed this past summer, with the pouring of a concrete pad to secure the docks at the landing. There continues to be significant parking area pressure at the Porters Landing Boat Launch and the Board is currently investigating possible options to address/resolve the issue in consultation with the Ministry of Natural Resources and Forestry (MNR).

ELECTRONIC COMMUNITY EVENTS DISPLAY SIGN

Investigation In Progress

The Board is currently investigating the feasibility of an electronic community events display sign. In our initial investigations we have come to realize that these display signs range significantly in quality and price. We will need to be diligent in finding the balance. It has also become clear that the location of the electronic sign is very important in order to maximize the return on the investment.

OIL LEAK LAW SUIT

Refund To RLSB

We are very happy to report that the law suit surrounding the oil leak that occurred at the Community Centre in 2010 has come to a close. As many of you may recall, our Community was held solely responsible for the cleanup costs. On a law suit initiated by our insurance company, the Board has been providing supporting documentation in building a case to demonstrate that multiple parties should have been held accountable for the leak and not only the Restoule Local Services Board as the owners of the property.

At a mediation meeting that took place on September 26, 2018, a settlement was reached. Once the legal fees and insurance company share of the settlement award were paid, the RLSB received a cheque on November 22, 2018 in the amount of \$181,316.62. We were pleasantly surprised as we did not anticipate receiving such an amount based on how long the legal case had dragged on.

In light of receiving this unexpected sum of money, the RLSB was directed by motion at the November 20, 2018 Public Budget Meeting to place the funds in the bank until a Special Public Meeting was held this summer to discuss how the funds were to be utilized/distributed. **The Board has set Saturday, July 27th, 2019 as the Special Public Meeting date. The special meeting will be held at 11:00 am at the Restoule Community Centre.** All property owners are encouraged to forward their suggestions on how the funds could be utilized prior to the meeting to our Secretary/Treasurer, Jean Mohr and to mark their calendars as the decision on how the funds are to be utilized will be voted upon.

MNRF FOREST MANAGEMENT PLAN

The Ministry of Natural Resources and Forestry (MNRF) have released the approved version of the 2019-2029 Forest Management Plan for the Nipissing Forest. In addition, the 2019/2020 Annual Work Schedule has been approved for the period April 1, 2019 to March 31, 2020, reflecting harvest operations taking place west of Clear Lake and Bass Lake. The harvest operations will be accessed via Sand Lake Road with upgrades to Sand Lake Road starting later this spring. The forestry contractor for the harvest operations is Goulard Lumber from Sturgeon Falls.

911 CIVIC ADDRESS SIGNAGE

All properties must have a 911 civic address sign to direct emergency services to the property. Please contact Jean Mohr, LSB Secretary if there have been any alterations to your driveway entrance, additional entrances or you require a sign, etc.

Please note the following information:

- It is the property owner's responsibility to maintain the visibility of their sign.
- Brush and remove any debris that may be blocking the visibility of your sign.
- Do not move your sign without approval from the Restoule Local Services Board.

There are Provincial guidelines that the RLSB must follow when installing the green 911 civic address signs.

SEPTIC TANK REBATES

The \$40 rebate for having a septic tank emptied remains in effect for business, home and cottage owners. This rebate is allowed once every five years through the LSB. For information, please contact Jean Mohr, LSB Secretary.

PATTERSON TOWNSHIP LOCAL ROADS BOARD

The Ministry of Transportation and LRB trustees will be holding their annual budget meeting and spring road tour late in April to determine improvements & maintenance needed for the 2019-2020 year.

The work program usually involves replacing a few culverts, ditching, brushing, graveling, grading and calcium throughout the township.

The 2018 plan for surface treatment on Porter's Landing Road and Limberlost Point Road was cancelled because the bids for tender came back doubled. When the tender goes out, it includes all Boards. At least one Board cancelled because of the high costs, therefore the tender changed, and it was too late to resubmit.

This year we are hoping to be able to complete the surface treatment plans from 2018. Some ditching, the large culvert on Hawthorne Drive and several others were replaced.

This past winter saw a heavy buildup of snow and ice on our roads. Accordingly, several extra times with the grader were required to remove the ice.

Please note the following:

If you require driveway sand, go to MTO yard at Farley's Corner.

Any entrances that are being constructed "must" have the approval of the Board and installed to MTO specifications. Applications are available by contacting a LRB Trustee or Secretary.

Please, do not park in the snowplowing and grading "turn-arounds" located at the end of many of our roads. In addition, parking is not permitted on our roads during winter maintenance. Homeowners may be responsible for the cost of removing snow that has been pushed onto a roadway.

Plowing of snow will not commence until there is 3 inches of snow.

The MTO Field supervisor will monitor roads for icy conditions and call the sand trucks accordingly. However, the Board may request plowing and sanding if deemed necessary. Bus routes will be given priority.

If you have any concerns or ideas for improving our roads, please call one of the numbers below.

2019 ANNUAL MEETING AND ELECTIONS

Please note the Local Roads Board Public Election meeting date is:

Thursday September 19, 2019 at 7:30 pm (following the Local Services Board's Election meeting at 7pm)

RESTOULE VOLUNTEER FIRE DEPARTMENT

FIRE and/or MEDICAL EMERGENCY DIAL 911

If response is slow - DIAL 705-474-7400

HELLO EVERYONE!

I would like to remind all of you to check your chimneys before starting up your fires in the fall and also check on a regular basis throughout the heating season. If you have a heating source other than wood have it serviced by a professional to make sure you and your family are safe.

If you are going to do any brush or other cleanup burning, please give us a call so we can advise you if conditions are acceptable. We go by the Ministry of Natural Resources rules for this kind of burning.

RESTOULE VOLUNTEER FIRE DEPARTMENT cont'd

We would like to thank everybody for supporting us and cooperating with the fire ban last summer. It was a hot and very dry summer. Had a fire started, it could have been a disaster. Please abide by the Ministry of Natural Resources regulations for burning.
<https://www.ontario.ca/page/outdoor-fire-rules-and-permits>

If you are calling from a cell phone for **911** sometime you will not get through. So this number will get you in ...it is **705-474-7400**. Be aware of your property's 911 address number located at the front of your property.

As some of you may know our fire fighters are aging. It would be very nice to have some younger people join and that certainly includes women. If you are summer people and would like to give your expertise, come and see us.

The installation of working Smoke Alarms and Carbon Monoxide (CO) detectors **are the law in every house**. Smoke alarms must be placed on every level and outside the sleeping areas. Just a handy tip -check the batteries yearly. Pick your birthday, time change or sometime like that. You should also go over an escape plan with the family and once outside have a safe place for everyone to meet.

If your insurance requires you to have a wet dry chimney inspection contact Claude St. Pierre. He is with Ferns Heating Inc. 705-474-4955.

Our fundraisers are well attended and a great success thanks to you for your continued support and generosity as we strive to improve and serve our community. Training sessions for Medical and Fire is quite costly and we are very appreciative for your ever present support.

RESTOULE QUILTERS

The Restoule Quilters had a very busy year. In April there was a house fire and our group wanted to make quilts for the family. We decided we would make not one but three quilts - one for each of the children and one for the parents. It was a huge undertaking for us but everyone was very enthusiastic and we continued to meet right through the summer so that in the fall we were able to present three full size quilts to the Lamb family.

In November the group learned how to make a Bargello quilt. Eleven Bargello quilt tops were in the works, all in different colours. It was amazing to see such creativity and design from each individual.

We continue to learn new techniques and work on group projects as well as our own individual projects. We are presently working on a quilt top which we hope to enter in the International Plow Match Quilt Show. Stop in and join us to see what we are working on.

We meet on the 2nd and 4th Wednesday of the month at the Community Centre from 9-3:30. Bring your lunch and sewing/quilting projects and a toonie donation.

RESTOULE LIONS SPORTS PARK

The Restoule Lions Sports Park has been well utilized this past year which is so wonderful to see!

This past winter, the rink has been in fabulous condition all season and as such, we have seen lots of activity on it. A huge heartfelt thank you and appreciation goes out to those who have flooded, removed snow and maintained the rink this year – hats off to you all! Please know that there are select items available for use in the rink shack (spare skates etc.) and it is asked that these items be respected and placed back where they belong after use.

The Memorial tree plaques have been completed with a huge THANKS to Ray of Unmanned Technology. We are aiming to have them installed at each tree indicating to whom the tree belongs sometime this spring/summer. We will also assess the trees in the spring to see which trees may be in need of replacing.

The playground equipment appears to be in good repair and we hope to see many children out enjoying our wonderful facility when the weather turns warm again! Thank you so much to all for utilizing and respecting the Restoule Lions Sports Park.

RESTOULE & DISTRICT LIONS CLUB

Our thanks to the Restoule & Area community for its ongoing support of our Club! It's because of you we can fulfill our motto - **We Serve!** For 35 years now, Lions first priority has been to our community, providing events and projects for all ages. Lions always stand ready to assist individuals in need, whether it is through financial or physical help.

Our Lions Facebook Page (<https://www.facebook.com/RestouleLionsClub/>) has been very popular - informing people of what Lions are doing in the community. We also submit events to our local on-line news page, the Restoule Enthusiast (<http://www.restouleenthusiast.com/>). Both venues capture the enthusiasm of participants in various community events. Be sure to check both pages out!

Every year is very busy for our club. We continue to sponsor: the Ham & Turkey Roll; Seniors' Christmas Dinner; Children's Christmas Concert; Christmas Baskets for those in need; our King & Queen Snowmobile Run, Winter Carnival and the Easter Egg Hunt. As we look ahead, we have Cow Paddy Golf, a Bike Rodeo, our so-called Penny Drive and we will end our year with the Lions Toll Road. Our Community Dinner will be held June 8, 2019. It promises to be a great night with a well-known "celebrity" making an appearance

This year we have included in our itinerary, a campaign to collect & recycle used hearing aids and eye glasses, called H.A.R.P. We will be locating collection boxes at locations around the village and we urge you to deposit these used items in our boxes. Every item will be refurbished by a Lion affiliation before distribution to those in need anywhere in the world

The Club is still committed to raising funds that will be used towards renovations that will improve the esthetics and efficiency of our Community Centre. We have also committed additional funds towards the installation of a barrier-free entrance & washroom.

SOUTH SHORE RESTOULE SNOWMOBILE CLUB

This was the year of Club volunteers!!

Due to wet, heavy snow in late November and early December, 295 km of trails in our Club were covered with sagging branches and trees as well as downed trees. I sent an email out to all our permit holders and the response was outstanding. They came from all across Ontario, even the States and locally, they worked endlessly for over a month cutting the mess of tangled trees and large down falls. I cannot express my gratitude enough to all these people, because if it wasn't for them, we would not have been able to open half of our trails this past season.

We can also say 2019 saw the return of the snow! Finally, after 5 years of poor snowmobiling weather conditions we managed to do what we try to do each year, provide the riders with top groomed trails for their enjoyment. This spins off to the businesses that support the snowmobile Club throughout the area while also giving the local economy a great winter boost.

SOUTH SHORE RESTOULE SNOWMOBILE CLUB cont'd

The snow was not the only plus. Our Fun Run was another successful endeavor thanks to the community of Restoule and the riders that came out in support of the days' events, capped off with an excellent roast beef supper. Everyone was commenting on how tender and delicious the roast beef turned out thanks to Lori and Matt from Mill Bay Market. Another great supporter was Legion Branch 639 who supplied and staffed the bar once again. The Kats' and Jammers' did a great job keeping everyone entertained with their music. The only words to describe the event volunteers this year are; dedicated workers and great team players who made it a lot of fun. Last but not least thank you to our new and repeat silent auction sponsors from the surrounding community and area. Only through their generous donations of goods and services are we able to hold such a successful fundraiser.

On another note, we continue to work on securing some Provincial Capital Funding in order to reopen the trail to Powassan. Success in getting this funding will allow us to create a new Powassan trail on unopened road allowances and bring the trail back to the community of Powassan. Trail work at other locations along our trail system will also be completed to enhance the trails.

We would also like to take this opportunity to thank the Landowners who give us the use of their property for our trails, year after year, so everyone can enjoy snowmobiling and the great outdoors during our winter months.

Hope everyone has a great summer and see you all next year on the trails!

RESTOULE DEER FEED PROGRAM

We would like to begin by thanking all the hunters and volunteers for supporting our Deer Feed Program.

Funds for the Deer Feed Program are made possible through the "Big Buck Contest" held at Gerry's General Store every hunting season. The contest entry fee is \$5 and the winner with the biggest buck gets half of the proceeds while the other half of the proceeds go towards the Deer Feed Program.

In 2018, Marty Gates and Ashley Bailey, the new owners of Gerry's General Store donated an equal amount of deer feed to match what was purchased with the funds raised.

The deer feed was distributed by local residents of Restoule who came with buckets in hand. A chart was kept on the store counter to track where the feed was being taken.

Deer Feed Program donations are welcome throughout the year, but especially during the upcoming 2019 "Big Buck Contest". Your continued support is what has made the Deer Feed Program such a success.

CORNER GOSPEL CHURCH

For almost 70 years Corner Gospel Church has occupied a corner of hi-way #524 first on the east side and now on the west side.

One of the striking features of our eye-pleasing building is the steeple, or, as some would call it, the spire. Every moment of every day that steeple eloquently gives a silent message to passers by, it points upward reminding one and all that there is a God in heaven who never sleeps and is never too busy or otherwise occupied to hear the fervent and sometimes anxious, fear driven prayers of whoever will call out to Him. A God who desires to have a relationship with his created human family.

God is the Omnipotent God of ALL people. No one has a corner on God, but he can be known personally. This is reflected by those who gather weekly for collective worship on the inside of this church on the corner. A place to which everyone is welcome.

Each week a considerable number of people congregate on a regular basis in a warm and friendly atmosphere to join in praise and worship, with both traditional hymns and contemporary gospel songs.

It is a place where, each summer, hundreds of visitors join the regular attendees for Sunday worship. The next time you drive by Corner Gospel Church I invite you to look at the steeple and reflect on your knowledge and relationship with the One to whom it points.

For a number of years, the Corner Church has provided a one-week daily Christian based program for children aged 4-12 years. This year the program will run from July 1st to the 5th, 9am-12noon. Registration can be done at www.cornergospel.ca or by calling 705-729-5515.

Besides our regular Sunday services we have a youth program, "Rack & Snack" on Wednesdays at 7pm as well as a Bible Study at the same time.

Every Friday morning at 10 a.m. a small group comes together for prayer. If you have a specific prayer request you can call and ask for that request to be included in the prayer time. You can call 705-729-5515 between 9 & 10 am.

At the present time Rev. Peter Tarling is serving as the Interim pastor as the church is in the process of calling a new pastor after the sudden and unexpected resignation of the former pastor, Stephen Wuerch.

CORNER GOSPEL CHURCH cont'd

You are always welcome at Corner Gospel Church. Our regular meeting times are Sundays at 10:30 a.m. and evening fellowship with a delicious meal beginning at 6:30pm followed by inspirational music and devotional. Then on Wednesdays at 7 p.m. for Youth and Adults and Fridays at 10am Prayertime.

Watch for announcements of other special events such as Ladies' Brunch; Community Hymn Sings with other churches. Movie nights and Gospel concerts.

God bless you and have a great, God-blessed summer.

ST. ALBANS ANGLICAN CHURCH & ACW

Our Sunday service is easy to follow. We have a projection screen, on which the prayers and hymns are projected for easy participation. We welcome any visitors, seekers or Anglicans. Jesus is the reason we meet, Jesus is our guide in the work we do, and Jesus brings us our hope and joy.

Many Sundays we celebrate an authentic Anglican Service at St. Albans church on Hawthorne Drive. This year we are being led by our new incumbent, Joan Morris, affectionately known as "Joan the Third". Because we are part of a three point parish (Trillium Anglican, covering Restoule, Powassan and Callander), there are many services that are held at one of our sister churches. This past winter we have been worshipping mostly with St. Mary's in Powassan. Coming in the summer, we will be back at St. Alban's on a more full time basis with services starting at 11:15am. Please check our sign in front of the church, or visit our website <http://www.trilliumanglicanparish.com> for our schedule.

St. Alban's has a trained pastoral care team. They visit the sick and elderly at home, in nursing homes, and in hospital. Once a month our incumbent Joan Morris, Barb Proctor, Kathy Doyle and Pat Young provide a communion service for Eastholme in Powassan.

We have a very active prayer chain. Requests are welcome from the community. Our faithful prayers are committed to confidentiality. If someone close to you needs prayers whether it be a family member or a close friend Please call Barb Proctor.

We have an ACW group which meets the first Wednesday of the month except July and August. We would welcome newcomers. We do some fundraising i.e. meat pie making to help with needs in our community, in North Bay as well as abroad depending on the need at that time. The fellowship is enjoyed by all who attend.

UPCOMING EVENTS

Stuff 'n Such Bake Table (delicious homemade baked goods).....	Sat June 29th
Christmas Tea & Bazaar	date not set
Valentine Appreciation Tea.....	date not set
Coffee Klatches	date not set

RESTOULE UNITED CHURCH

While our congregation has not grown significantly, Restoule United Church is still able to hold weekly Sunday services thanks to our dedicated Pulpit Supply Worship Leaders who are either retired ordained ministers or licensed lay worship leaders who have successfully completed a United Church sanctioned course in worship leadership. We are very fortunate to have their inspirational messages and skillful spiritual guidance in our services. The worship leaders have been very supportive in selecting primarily hymns familiar to the congregation as we are without musical accompaniment since Allecia Stripe has, due to failing health, moved into Eastholme.

The Canadian Diabetes Association clothing drop box which was installed on the property in April of 2017 has seen a good deal of use and is often overflowing with donations. Betty Todoroff does a very efficient job of monitoring its level and calls the Diabetes Association when she notices the box is nearly full; however if the box is found to be at capacity when a person wishes to drop off a donation, one can call Betty at 705-729-1027 and she will see that the contents are picked up at the Association's earliest convenience.

Restoule United Church supports the Powassan Food Bank with donations of the White Gifts offered during Advent as well as a monetary donation. The church has made private donations for worthy causes, as well as contributing to the United Church's Mission and Service Fund which supports needy organizations and individuals both locally and internationally.

The church's main fundraiser, our annual Yard and Bake Sale, was once again a tremendous success thanks to assistance received from church members, visitors, and the community at large. Thank you for the donations, as well as all the help before, during and after the sale! The Diabetes Association picks up all the leftover items with the exception of furniture. In 2018, we had a beautiful sunny, warm day for the sale making it a pleasant outing for workers and patrons alike. The sale is always held on the Saturday of the Civic Holiday weekend and will be held this year on August 3rd.

As we are half of a two-point pastoral charge, we occasionally have events together with our sister church, Knox Nipissing United Church. Occasional joint services which conclude with a potluck lunch are a source of fellowship as well as a delicious array of good food and all are welcome to come and share in the lunch and great company. The annual Walkathon, held in early fall, serves as a joint fundraiser to benefit the Nipissing-Restoule Pastoral Charge as a whole and each of the two churches hosts the event and chooses a local route on alternate years. Restoule United will host this year's Walkathon on September 14th with participants and volunteers meeting at the church at 9:30 a.m. to begin the walk. For those wishing to participate, pledge sheets can be obtained at the church or from any church member.

The United Church of Canada has undergone major restructuring on a national level over the past year with Presbyteries and Conferences being disbanded. The Country has, instead, been divided into Regions and our Region has adopted the name Canadian Shield Regional Council. The Region's inaugural meeting will be held May 30-June 2, 2019 at the Quattro Hotel and Conference complex in Sault Ste. Marie.

Congregation members care for the community as well as the church, keeping in touch with residents who are ill or grieving through visits and cards sent by our efficient card convenor, Betty Bowyer. Prayers for community residents who are ailing or recently bereaved are offered during Sunday services. Restoule United Church offers a welcoming atmosphere to all, members, residents, and visitors to the area.
