

Snowmobile Training

Driver training is the best way to start your snowmobile career. Driving a snowmobile requires a valid driver's license. Young people age 12 years or more can take a young driver snowmobile course and upon completion and passing, can receive a snowmobile license. Unfortunately, classroom courses are not being held this year because of Covid-19, but the online course through the OFSC is still available. The cost of this course is \$40.00.

Starting this year 2021, young people who are permanent residents of the Restoule area can be reimbursed the tuition of \$40.00 by the Restoule & District Lions Club.

To be reimbursed please send Certificate of Completion of the young driver training course to:

Restoule & District Lions Club, Treasurer Bonnie Dugas, General Delivery Restoule
ON P0H 2R0,

or call President Dawn Stripe 705-729-1028

Thank-you for driving safe.

Snowmobile instructors..... Dean Gates, Al Wissink
